SUPPORTING DOCUMENTATION FOR ENROLMENT

Montmorency Secondary College is a highly regarded school and as such is in high demand. The College has an enrolment ceiling and must offer all students living within our zone a place at the College. Please indicate under which grounds you are applying for a position at the College.

Designated Neighbourhood School

We reside inside the College zone and Montmorency Secondary College is our designated neighbourhood school. We have confirmed this by accessing the website www.findmyschool.vic.gov.au

To assist Montmorency Secondary College in assessing your child's eligibility for enrolment, please include in your enrolment application original or certified copies of:

1. Rental Agreements or unconditional Contracts of Sale **PLUS**
2. A copy of two of the following:
 - electoral enrolment confirmation
 - council rates notices
 - other official documentation that demonstrates permanent residency at that address such as a driver's license or health care card

Documents should show the same address and parent's/carer's name as recorded on the Enrolment Enquiry Form.

Note: Enrolment applications may not be successful if the requested documentation is not provided

Montmorency Secondary College needs to collect your personal information to establish that you reside within the College's neighbourhood zone. Your information will not be disclosed to any other organisation without your consent, or unless authorised or required by law. Copies of any documents you provide to verify your permanent residence will not be retained.

Please note - the monetary values listed on your confidential supporting documentation are not required. Please block out these amounts for your own privacy.

When assessing enrolment applications, Montmorency Secondary College may make the following enquiries to verify the information provided about a student's permanent residence:

- Checking the electoral roll at an Australian Electoral Commission office or the Victorian Electoral Commission head office
- Checking with a real estate agent
- Checking whether the contact landline phone number provided is registered to the residence provided on the enrolment form
- For a rental property which is a studio apartment or a one bedroom unit, checking whether there are any regulations/codes limiting the occupancy of these apartments to one person per apartment

Note: If, after reasonable enquiries, the Principal does not accept that the address provided on the Enrolment Enquiry Form is the genuine permanent residence of the student, the enrolment application may not be successful.
