**Year 10 Student, Mayson Hoverd.
A quiet achiever.**

Dear Parents, Guardians and Students

On Saturday 29th August and Saturday 12th September, our community celebrated two wonderful Presentation Balls at the Melrose Reception Centre. It is the twenty seventh year of our Presentation Balls and this year eighteen pairs of students in Ball One and 12 pairs in Ball Two, together with family, friends and College staff, again showcased splendid celebrations in two spectacular College and community events.

In the formal part of the evening at the first Ball our pairs of Year Eleven students were introduced, profiled and presented to the guests and Senior School Leader Bronwyn Mackey and myself. In the second Ball Bronwyn Mackey was the MC, introducing our pairs and reading their

profiles as they were presented to the guests, Assistant Principal Clara Rocca and myself. A huge thank you to organisers, Jennie Siede and Leanne Johnson, who have organised and run our Presentation Balls for the past 20 years and as always produce superb events.

Also, a big thank you to Julie Ryan, who has taught the 'dance moves' to thousands of our debutantes for the past 25 years and, as on these two Saturday evenings, presented them in spectacular fashion.

One of our quiet achievers at the College is Year 10 student, Mayson Hoverd. Mayson is an outstanding young person and athlete who has been chosen in the Under 16 Victorian School Boys Rugby Union Team and will be touring with the team to Ireland, Scotland, England, Wales, Belgium and France for four weeks later in the year. Mayson has been playing Rugby Union since the age of 8 for the Eltham Rugby Club and he has been one of their stand-out players for a number of years. I am certain that Mayson has an outstanding

Rugby career ahead of him and we congratulate him on his outstanding achievements.

Students and parents would be now well aware of the fire damage sustained by the College in the arson attack that occurred in the early hours of the morning on Friday 25th September. The G Block English Office was broken into and set on fire and it has been destroyed, as has the adjoining computer pod and Room G14. Rooms G8, G10 and G11 were also fire and water damaged and the whole wing, which includes eight classrooms, the Science Store and Prep room and three teacher offices are out of action and locked down.

The suspected arsonist was arrested and held in remand since the day of the attack, an attack that was random and not related in any way to the College or anyone in our school community whatsoever. Since the fire our Principal Team and staff have worked around the clock with teams of people and contractors from numerous authorities to assess,

contain and clear out the damage. We are extremely pleased that the College was open on the first day of Term 4 for classes to operate as normal. We have had to make some emergency arrangements which have included procuring and installing four new Science relocatable classrooms and a new Science Prep room, adjacent to A Block, on the river side of the College. We also have two brand new General Purpose classrooms at the end of A Block. The staff in the English office has been relocated to other offices as has the staff in our Maths and Science offices.

I would really like to thank and commend our six members of staff: Caitlin Penrose, Kate Webb, Kerryn Murray, Jacob Bloom, Cathy Dunstan

and Gareth Young, who lost all of their own teaching resources and many personal and professional items in the fire. They have all resumed their normal teaching duties at the College and are doing a great job in adverse circumstances.

I would also like to acknowledge our Local Member of Parliament, Vicki Ward, and also the Minister for Education, James Merlino, for their contact and efforts to support us in this unfortunate event. They have both responded with a high level of concern and genuine support for our College community. One very positive outcome is that our permanent building redevelopment program looks like being fast tracked by the Department of Education and Training

in response to this event and we have already held initial meetings with architects and project managers.

A special request to parents: Can you please let me, or the General Office know, if your child has been selected or chosen at State or National level, for any personal or team achievement, whether it be academic, artistic or sporting. We would like to establish a register of high achievement and to acknowledge these students in some way consistent with our College motto of *'Pride in Achievement'*.

SNAKE ALERT

An urgent and important reminder to all students who travel to and from school using the Plenty River path or the sports ovals that they need to be aware tiger snakes are usually active at this time of the year, and that for the last six years they have been very aggressive during hot weather. Environmental experts predict that snake sightings will become more prevalent this year. I have spoken to a field officer from the City of Banyule, and he said that short bursts of warm weather and sunshine resulted in snakes emerging from the scrub near the river and sunning themselves on paths and concrete surfaces. We have also had some Council warning signs installed near the river paths warning pedestrians to "Beware of Snakes".

In February some six years ago one of our own students was bitten by a snake while walking near the river path at Simms Road Oval, and he spent a considerable amount of time in hospital. There are now warning signs along the path but all students and pedestrians need to exercise extreme caution when travelling to and from school along the river tracks. It is comforting to know that we have a great network of neighbours and pedestrians who use the river path and if there are any sightings of snakes they let the College know immediately.

Take special care,

Year 10 French Excursion to the French Brasserie

On Thursday 10th September, the students of the year 10 French class met at 11am outside the canteen, walked to the station and caught a train into the city. After a pleasant journey, we disembarked at Flinders Street and followed Mme Créta down some unpleasant smelling streets until we reached the restaurant we would be dining at; The French Brasserie in Malthouse Lane.

Upon entering we were greeted by a flurry of French language and mouth-watering aromas. We were welcomed by a man who attempted to confuse us by speaking to us in German, before being seated at our table.

After being seated we decided between having a *poisson* (fish) or *poulet* (chicken) dish for lunch and tested out our French skills by ordering and asking questions in French to the waitresses. The food was absolutely delicious, and of course dessert was even better with the option of chocolate mousse or crème brûlée.

Thank you to Mme Créta for accompanying us and for organising this great experience, it gave us all a place outside of the classroom to try communicating in French and gave the students who are going on the French trip next year a taste of what they are to expect.

UNIFORM SHOP

During the recent fire at the College, the Academy Uniform Shop, which operates from our College grounds, was damaged and consequently has now been closed indefinitely.

As a result, all uniform purchases can only be made from Academy's Thomastown store at 238 Wolseley Place, Thomastown.

Telephone orders can also be placed with the store and items will be delivered to the College on Friday of each week which can then be collected from the General Office.

For further information, or any enquiries about College uniform purchases, please contact Academy Uniforms on 9460 8011.

SECOND HAND UNIFORM

clk2sell app – a fast way for parents to buy and sell second hand uniforms.

Last year State Schools' Relief launched clk2sell – a smartphone solution to buy and sell second-hand school uniforms. With the new term and season change, it's a great time to upload and sell those unwanted uniform items.

Close to 100 schools are now using the app - saving time and money. State Schools' Relief is encouraging more schools and parents to get on board to reap the benefits. "Parents have saved 50-70 per cent", said State Schools' Relief CEO, Stephen Isles.

By being able to purchase uniforms at a reduced price can allow children to wear the appropriate uniform and in turn gain the confidence to attend school without feeling embarrassed or being bullied.

Hear about how the clk2sell app works and the benefits experienced by parents and schools already using the app. [Watch the clk2sell video.](#)

By the end of this month clk2sell will be expanding its functionality to include musical instruments and text books. Stay tuned for more information.

For more information about this resource go to www.clk2sell.com or email info@clk2sell.com.

2015 VICTORIAN STATE SCHOOLS SPECTACULAR

The Victorian State School Spectacular is a mass dance event held at Hisense Arena yearly. This year, roughly 3000 kids from 200 different government schools came together to perform for an audience of nearly 10,000 people.

For months prior to the performance, our group from Monty attended weekly rehearsals and we also went to 4 whole-day rehearsals at Diamond Valley College where we learnt new choreography and practised our dances. The theme for the performance this year was 'Storytelling'.

On the 10th and 11th we attended an all-day dress rehearsal and practise at Hisense Arena, where we got to learn our positions and way around the arena. On the 12th of September, it was the day of the performance. We had a matinée performance at 1pm and then an evening show at 6.30. There were circus performers, singers, dancers, the mass choir and the orchestra performing, and it was an absolutely amazing thing to be a part of. Some of the songs we danced to were *Take On Me* by A-Ha, *Don't You Worry Child* by Avicii, *Am I Wrong* by Nico and Vinz, *Listen* by Beyonce, *Shake It Off* by Taylor Swift, *Happy* by Pharrell Williams and many more. The whole thing was televised by Channel 9.

Overall, State School Spectacular was an awesome experience and we are so grateful to have been a part of it. Thank you to Mr Cetin, Miss Shelton and the VSSS team for making it all possible.

Tuning in to Teens™

Emotionally Intelligent Parenting

Would you like to:

- Communicate better with your teen?
- Understand your teen?
- Guide your teen in managing their emotions?
- Teach your teen to deal with conflict?
- Help to prevent behaviour problems?

Our six week program for parents of adolescents aged 10-18 years, **Tuning in to Teens™** teaches you how to help your teen develop *emotional intelligence*.

Adolescents with higher emotional intelligence:

- Are more aware, assertive and strong in situations of peer pressure
- Have a greater success with making friends and are more able to manage conflict with peers
- Are more able to cope when upset or angry
- Have fewer mental health and substance abuse difficulties
- Have more stable and satisfying relationships as adults
- Have greater career success

Emotional Intelligence may be a better predictor of academic and career success than IQ.
